

BOOST PRODUCTION EFFICIENCY AND PROFITABILITY WITH PROTEUS®

KEMIN
Compelled by Curiosity™

Proteus® is a clean label functional protein. Replacing up to 15% of your meat block with Proteus® can help:

**Increase
total yield
up to 15%**

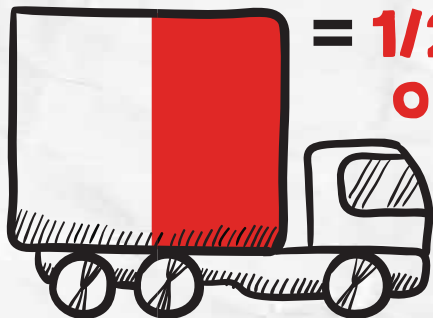

**Increase
throughput by
5% or more**

**Reduce raw
material costs
by 5-10 cents/lb**

**Proteus® is derived from whole
muscle protein.**

**1 pallet of Proteus® Dry
= 1/2 truckload
of raw meat**

**which means reduced
cold storage space,
and longer shelf life
compared to raw meat.**
