TetraCURB™ Organic

CODE NUMBER

018143

DESCRIPTION

Miticide-insecticide. A proprietary blend containing rosemary oil for control of spider mites and small, soft-bodied insects, including but not limited to aphids and whiteflies, on all plants including food crops. Listed by the Organic Material Review Institute (OMRI) for use on organic production.

INGREDIENTS

Rosemary oil, Clove oil, Peppermint oil, Glycerol monooleate, Ethyl lactate, and Ascorbyl palmitate.

QUALITY SPECIFICATIONS	
Refractive Index	1.465-1.495
TYPICAL CHARACTERISTICS	
Appearance	Clear to light yellow liquid
Odor	Fresh herbal
Density	0.925 - 0.995 g/ml

INSTRUCTIONS FOR USE

THIS PRODUCT IS A CONCENTRATE AND MUST BE DILUTED BEFORE USING.

Use dilution immediately – Do not store diluted solution. NOTE: This product is intended to be combined with an approved wetting adjuvant or surfactant. For best results, use with an approved wetting adjuvant or surfactant.

APPLICATION RATE

<u>Final Volume</u>	<u>Volume of TetraCURB Organic</u>
10 gallons	3-26 fluid ounces
25 gallons	8-64 fluid ounces
50 gallons	16-128 fluid ounces
100 gallons	32-256 fluid ounces

Fill a clean tank with half of the amount of needed clean water. Add TetraCURB Organic for the desired rate of application. Fill the tank with the remaining amount of needed water and mix to obtain a homogenous mixture. Apply the mixture using a clean sprayer to achieve complete coverage until runoff. For best results, use product with an approved wetting adjuvant or surfactant.

*NOTE: Since plant varieties are numerous and may react differently to TetraCURB Organic test the product on a small scale before making large-scale applications. Do not apply on plants when the temperature is 90° F or above.

STORAGE

Store in original container only in a cool, well-ventilated, dry place (20 - 27 °C). Do not freeze. Keep container closed when not in use.

NOTE: **25(b) Exempt: This product has not been registered by the United States Environmental Protection Agency. Kemin Industries, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.
